Interviews, comment and speaking invitations: support@oneagrix.com

Diana Sabrain

CEO and Co-Founder

Diana Sabrain is CEO and Co-Founder of OneAgrix. Since 2018 she has led its development as end-to-end trade infrastructure for the faith-based and values-governed food economy, setting strategy and institutional relationships. She speaks on Halal market access, cross-border recognition and trust in trade, at forums including Horasis, the IsDB Group Annual Meetings, Alimentaria and Gulfood.

Speaks on: Halal market access, AI and compliance, cross-border recognition, trade policy

Shahid N. Khan

Managing Director, Middle East and South Asia

Shahid N. Khan brings more than three decades of international leadership in FMCG, food and beverage, and retail. He spent 18 years at Unilever in senior management roles across several countries, then served as CEO and managing director of leading Middle Eastern companies, including IFFCO, Alghanim Industries and Al Islami Foods. Based in Dubai, he leads OneAgrix's commercial development across the Middle East and South Asia.

Speaks on: FMCG, GCC and South Asia markets, supply security

Matthew Hoffer

Managing Director, Europe

Matthew Hoffer leads OneAgrix in Europe. A former World Economic Forum Global Leadership Fellow, he speaks on Swiss and European food innovation and market access for Halal, Kosher and Vegan products.

Speaks on: Europe, food innovation, market access
